

National Finance Center Customer Notification

Date of Notification: April 16, 2010

Subject: 2009 Personal Benefits Statements (PBS)

Database/Customer(s) Affected: All Customers that Elect to Receive PBS for their Employees

Dear Customer:

The 2009 Personal Benefits Statements (PBS) are now available to view on the National Finance Center's (NFC) Employee Personal Page (EPP). The NFC has begun to print the PBS and we anticipate most employees to receive their statements within 2-3 weeks. If the employees do not receive their statements within 2-3 weeks, they should report to their agency personnel office.

The PBS is an annual notification of employee compensation and fringe benefits. It provides employees with an estimate of their benefits relating to their current position. For employees who are retirement eligible, we suggest they contact their agency personnel office for a more comprehensive review of their retirement options.

If you have any questions regarding this notification, please contact NFC's Client Management Branch at [**CUSTOMER.SUPPORT@USDA.GOV**](mailto:CUSTOMER.SUPPORT@USDA.GOV).
